Firewall can **block** packets between the private and the public network avoiding **lack of informations**, providing a safe access to the internet and **protecting** by cyber attacks.

Firewall can **deny** the access to websites as well, like **unsafe sources** or **pornographic contents**.

THE STORY OF PORNOGRAPHY:

the new art after the invention of the photo
during the **Belle Époque**

In France the invention of the camera and the spread of this new technology, during the **Belle Époque**, bring the **art's experimentation** to new borders.

The use of painting naked body influenced the **newborn art**: the photography and later on the cinema

Differences between nude – erotic -porn

There is a thin line that separates these three concepts that very often is misunderstood:

NUDE

It's the representation of human body for **anatomic purposes**

EROTIC

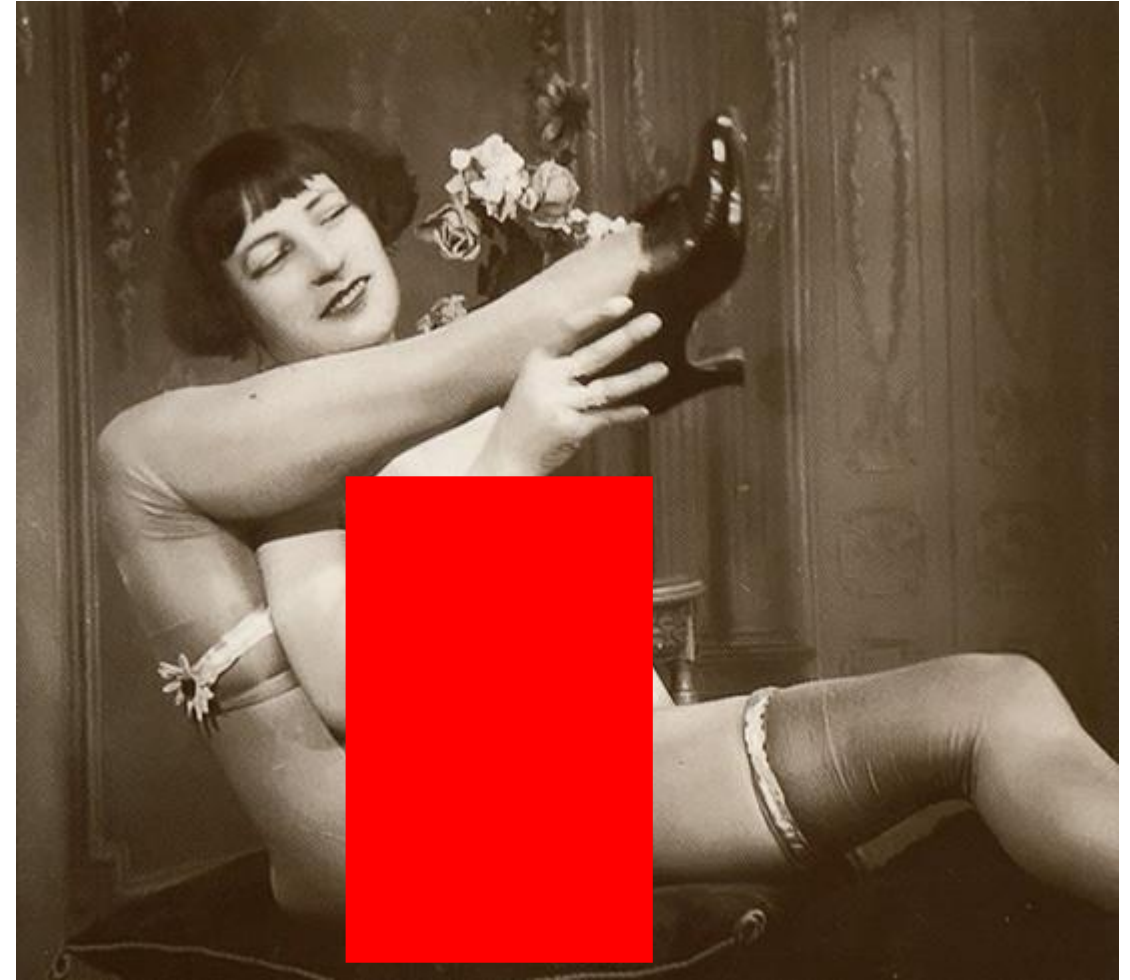

It's making **art** with **provocative subjects** that causes sexual feelings

PORN

It's the portrayal of sexual subject matter for the **exclusive purpose of sexual arousal**

"L'Origine Du Monde", Gustave Courbert – 1866
Oil painting on canvas

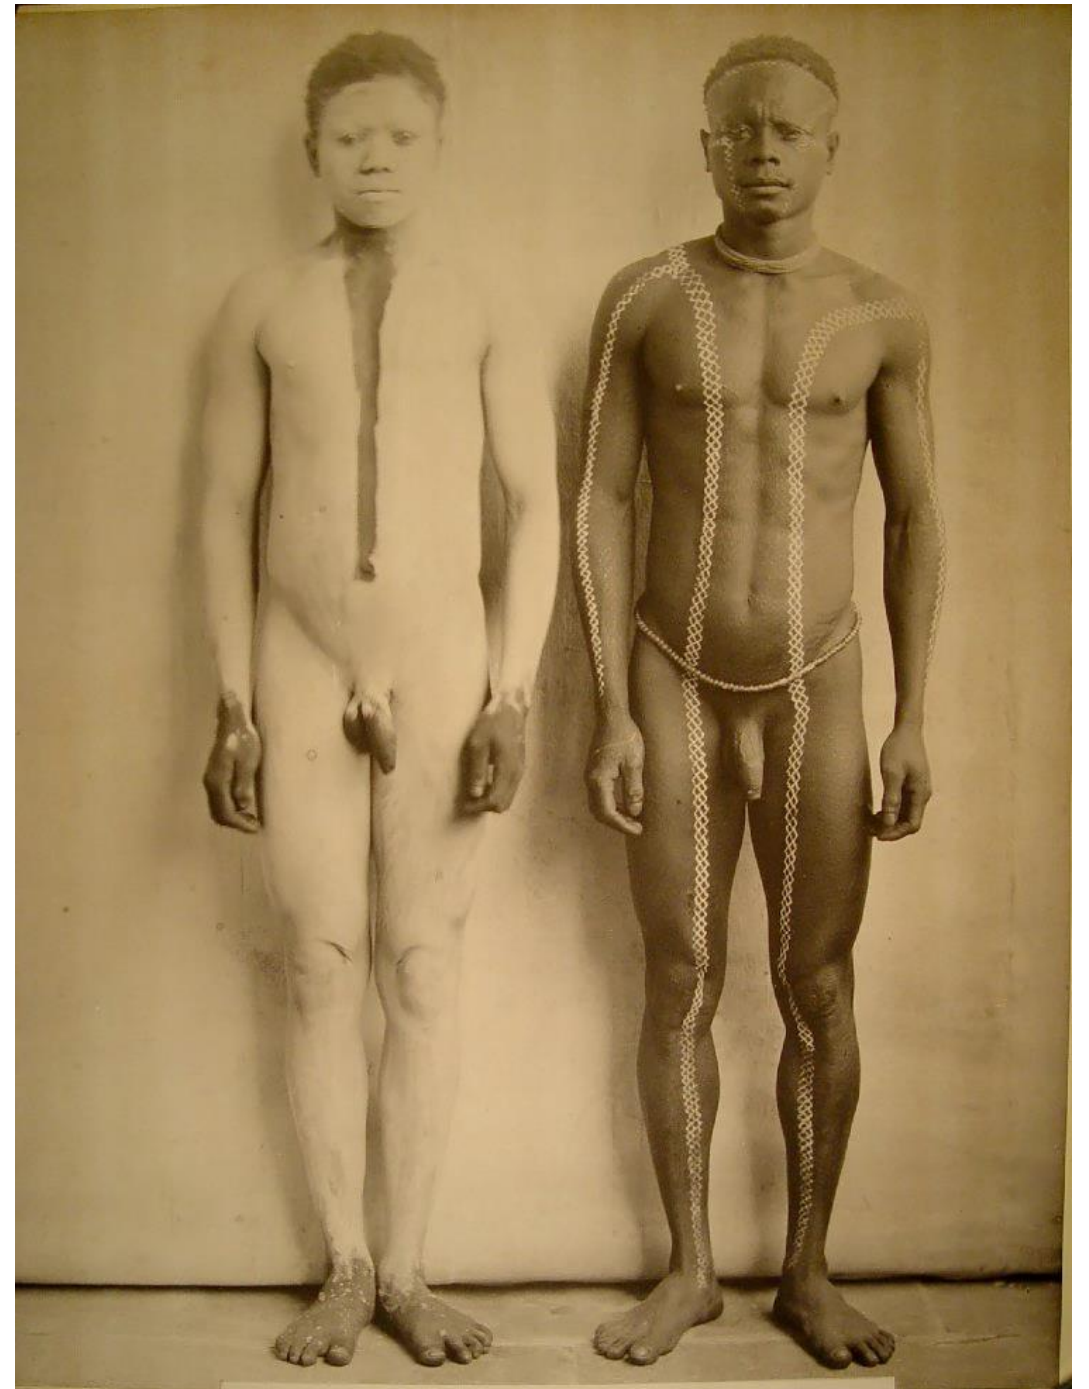

Naked woman, anonymous
Photo

THE PICTURES FROM THE COLONIES

In the beginning the first picture taken of naked men and women were by natives and **tribal population** discovered during the **imperialism period**

These photos were published on prestigious journals like *National Geographic* and were the only nude picture that could be published

MODELS FOR ARTISTS

Later on the photography was used to create **models** for painters to take references

Jean-Léon Gérôme, Phryné before the Areopagus
