Romeo and Juliet for Francesco Hayez

Love is a smoke raised with the fume of sighs;
Being purged, a fire sparkling in lovers' eyes;
Being vexed, a sea nourished with loving tears.
What is it else? A madness most discreet,
A choking gall, and a preserving sweet.

ROMEO Ma così mancheresti al tuo affetto. Le mie pene già pesano qui sul petto; se vi aggiungessi le tue, mi schiaccerebbero. La benevolenza che hai per me aumenta ancora il mio troppo dolore. L'amore è un fumo che sorge dalla nebbia dei sospiri; se lo purifichi è un fuoco che sfavilla negli occhi degli amanti; se lo agiti è un mare ingrossato dalle loro lacrime. E che altro può essere? Una pazzia discreta, un'amarezza che soffoca e una dolcezza che alla fine ti salva. Addio, amico mio. *(Si avvia.)*

“Notti bianche” by F. Dostoevskij

The story...

The book is subdivided in 4 parts, that are the four night which the “dreamer” lives in this book and the conclusion is in the next morning of the last night.

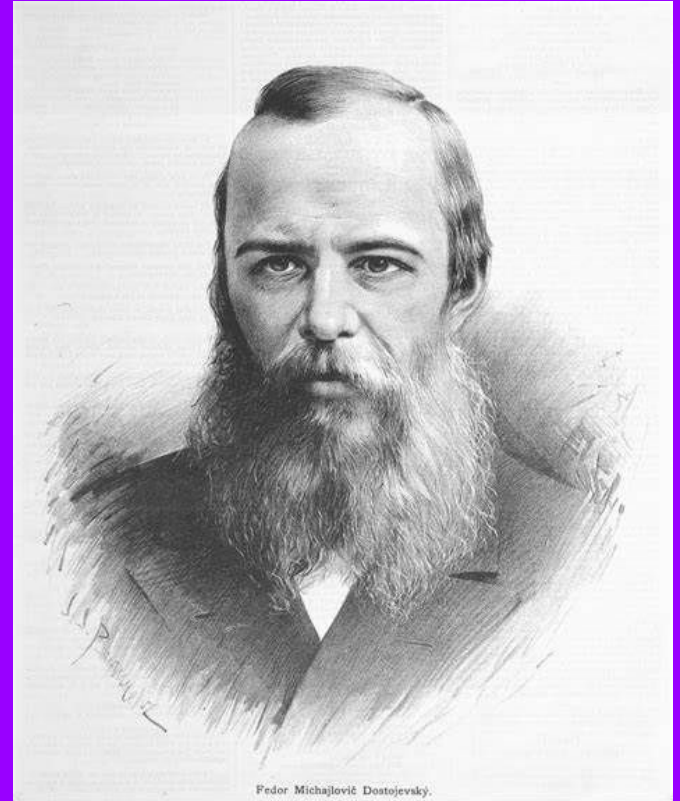

In the first night the “dreamer” describe the city of Pietroburgo and its routine.

In the other three night the “dreamer” meet a girl, who fell in love with. For the all book we can read about his reflections and the developing of his love story.

This is the book anticipates the next psychological themes of Dostoevskij.
