CONVENTION AGAINST TORTURE AND OTHER CRUEL, INHUMAN OR DEGRADING TREATMENT OR PUNISHMENT

Is an international human rights treaty, under the review of the United Nations, that aims to prevent torture and other acts of cruel, inhuman, or degrading treatment or punishment around the world

Litterature against torture

Since the XVIII century is known that torture doesn't work for discover the truth, the first talking about that was the italian **Pietro Verri** in «Osservazioni Sulla Tortura»

Science against torture

The science says that torture are futile, the tortured ONLY WANTS TO STOP SUFFERING, as Winston in the book

Why abolish torture?

The use of torture destroys people, corrodes the rule of law, undermines the criminal justice system and erodes public trust in public institutions and the state they represent.

It causes severe pain and suffering to victims which continues long after the acts of torture stop.

And it doesn't work.
